TRICOM AGRO PRIVATE LIMITED

An ISO 9001 : 2015 Certified Company

Plot No. 16, " TRICOM TOWERS", Srinivasa Nagar (W), Ameerpet, HYDERABAD - 500038. India Tel : +91 40 23735750

Tricom Agro Pvt Ltd is one of the most leading ISO 9001:2015 company having its manufacturing facilities in the chemical zone of Pashamylaram Industrial area of Hyderabad, Telangana promoted by professionals hailing from farming community.

Tricom's manufacturing, quality control and safety facilities match the best in the agro chemical industry.

Tricom is equipped with modern machinery, for producing all types of formulations of various pesticide grades, that can be most effectively and safely used by farmers for protection of their crops.

Tricom's quality control laboratory is very well equipped with sophisticated testing equipments, manned by very qualified technicians and conforms to ISO & ISI standards. Hence the best quality formulations are produced and marketed in various states. This has ensured the best record as far as sample testing by various statutory testing agencies are considered and the product performance in the field as experienced by farmers.

Tricom has employed right people for right job. Every department is headed by experienced and expert personnel, under whose guidance the supporting staff work and make best contribution in their respective areas of job.

Tricom was started in the year 1995 at a modest level. But we are happy to share the truth that the company made excellent progress in terms of infrastructure, business turnover and credibility by winning the hearts of innumerable farmers and thousands of dealers who are part and parcel of our business and committed in our endeavour.

Tricom religiously adheres to all statutory requirements like registration of products and rules set by various government authorities.

SAFETY MEASURES FOR FARMERS WHILE USING INSECTICIDES

Do not transport along with food stuff

Safe guard them under lock & key

Keep away from children

Purchase in original packs only

Please read the label/ Leaflet before usage.

Wear protective clothes

Measure & take correct recommended dose

Stir with wooden stick while mixing in water thoroughly

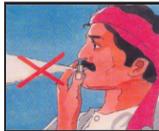

Use cone tunnel to prevent spilling

Do not store water or food in empty containers

Spray insecticide in direction of wind only

Do not clean nozzle with mouth

Do not eat, drink or smoke while spraying.

Do not use damaged sprayer or duster

Wash contaminated clothes & body with plenty of water

Do not arrange children for spraying

Keep away food stuff from spraying place

Wash hands thoroughly before eating & drinking.

Call a doctor in case of Emergency

Show the label / leaflet to Doctor for treatment

Good treatment must be done immediately

Break the empty containers and bury in the earth.

Take both and wash the contaminated cloths after spraying.

Take precautions to prevent environment & water pollution

Keep Warning Boards in field after spraying.

EXTREMELY TOXIC

HIGHLY TOXIC

MODERATELY TOXIC

SLIGHTLY TOXIC

Issued for the Welfare of Farmer

Success story of the company and consistent contribution of its ethical business practices are attracting at least 200 new dealers every year to the already existing vast Tricom's business network.

Tricom is entering into new markets in different states and we are confident that we shall soon become an All India marketing company of pesticides, while retaining a healthy market share in Andhra Pradesh.

Sri Posani Nageswara Rao, Chairman of Tricom Agro Private Ltd is one of the senior most businessman in pesticide industry. He has come up with consistent, uncompromising trade practices and commitment from grass root level. Under his guidance and whole hearted support Tricom is making great strides of success. Sri Nageswara Rao is very popular in the All India Pesticide Industry and has got very good contacts, which have helped Tricom to grow as one of the leading company.

Mr. K. Venkateswarlu, Managing Director is an agriculture graduate from one of the reputed institutions. He has very long and most useful experience in agro input marketing. He served in a blue chip agro chemical company at various levels, for a very long time, before starting Tricom in the year 1995. His down to earth approach, vision, hard work and commitment have made TRICOM what it is today. His undying enthusiasm and plans will make Tricom an All India Marketing Company very soon and will place it on the side of many big companies.

Tricom is a family of more than 100 personnel. Their unstinted support, efficient, sincere contributions and loyalty are the major secret behind the success. Tricom acknowledges this fact and always take care of their welfare and growth.

Coconut, Potato, Tea,
Tobacco, Tomato, Grapes

Dosage : 500 - 750 g / acre

77

BULDOZER

Thifluzamide 24% SC

Crops : Paddy

Dosage :
150-175 ml / acre

78

SATTA

Captan 70% + Hexaconazole 5% WP

Crops : Cotton,
Potato crops etc.,

Dosage :
200 - 400 gm / acre

79

TRISO-ONE

ISOPROTHIOLANE 40% EC

Crops : Rice

Dosage : 750 ml / acre

80

ZIRAM 27% SC

Ziram 27% SC

Crops : Grapes, Apple,
Potato, Tomato

Dosage :
920 - 1400 ml / acre

FUNGICIDES

81

TRIMAR

Validamycin 3% L

Crops : All crops

Dosage :
500-600 ml / acre

82

CAPTAIN

CAPTAN 50% W.P.

Crops : Grapes,
Tomato, Potato, Apple

Dosage :
300 - 400 g / acre

83

TRIMAX

Tricyclazole 75% WP

Crops : Rice

Dosage :
120 - 160 g / acre

84

TRIMZIM

Carbendazim 50% WP

Crops : Paddy, Wheat,
Barley, Tapioca, Moong,
Cotton, Ground nut,
Tobacco, Walnut, etc.,

Dosage : 100 - 200 g / acre

85

TROY

Tebuconazole 10% + Sulphur 65% WG

Crops : Chili, Corn, Grape, Mango,
Okra, Onion, Paddy, Soybean, Tomato

Dosage :
500gm/ acre

86

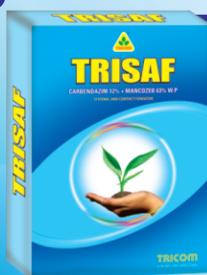

TRICOL

Propineb 70% WP

Crops : Paddy, Cotton,
Wheat, Maize, Sugarcane,
Groundnut, Vegetables,
Citrus, etc.,

Dosage :
250 - 300 g / acre

87

TRISAF

Carbendazim 12% +
Mancozeb 63 % WP

Crops : Paddy, Groundnut

Dosage :
200 - 300 g / acre

88

TRIZOL

Hexaconazole 5% EC

Crops : Rice, Apple,
Ground nut, Mango

Dosage : 400 - 600 ml / acre

FUNGICIDES

89

TRIZOL PLUS

Hexaconazole 5% SC

Crops : Mango, Rice

Dosage : 350 - 400 ml / acre

90

TRILT

Propiconazole 25% EC

Crops : Wheat, Paddy

Dosage : 200 - 300 ml / acre

91

TRICODIA

Azoxystrobin 11% +
Tebuconazole 18.3% w/w SC

Crops : Chilli

Dosage :
300 - 500 ml / acre

92

TRILAXYL

Metalaxyl 35% W.S

Crops :Maize,Bajra,Jowar,
Grapes, Potato, Sunflower,
Vegetables etc

Dosage :
250 gm to 300 gm /acre

HERBICIDES

93

KORA

Tebuconazole 6.7% +
Captan 26.9% w/w SC

Crops :Chilli and Apple

Dosage :
250ml /acre

94

TARA

Pyrazosulfuron Ethyl 10% WP

Crops :Paddy

Dosage :
80 gm /acre

95

WEEDMIX

Metsulfuron Methyl 10% &
Chlorimuron Ethyl 10% W.P.

Crops :
& **Non Cropped areas**

Dosage :
.....

96

LOGAN

Bispyribac Sodium 10% SC

Crops :Paddy

Dosage :
80 ml to 120 ml /acre

HERBICIDES

105

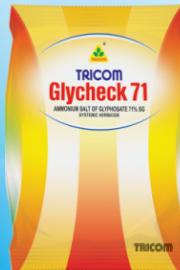

TRIOXY

Oxyfluorfen 23.5% EC

Crops : Rice, Tea, Potato, Onion, Groundnut and Mentha etc.,

Dosage :
250 - 500 ml / acre

106

GLYCHECK 71

Ammonium Salt of Glyphosate 71% SG

Crops : Tea & Non Cropped areas

Dosage :
1.0 - 1.2 g / acre

107

TRIMETRI

METRIBUZIN 70% WP

Crops : Soyabean Cereals

Dosage :
500 g / acre

108

HARRY

Tembotrione 34.4% w/w SC

Crops :Maize

Dosage :
115 ml/acre

109

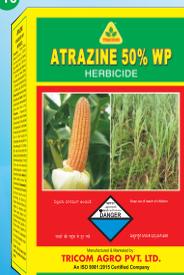

IRA

Glufosinate Ammonium 13.5% w/w SL

Crops : Cotton, Tea

Dosage :
1000ml to 1200 ml/acre

110

ATRAZINE

Atrazine 50% WP

Crops : Maize, Sugarcane

Dosage :
400 - 1600 g / acre

111

GUN-32

Pendimethalin 30% + Imazethapyr 2% EC

Crops : Soyabean

Dosage :
1000 ml / acre

112

GIVE UP

Quizalofop-Ethyl 10% w/w EC

Crops : Soybean, Cotton, Groundnut, Black gram, Onion

Dosage :
180 ml / acre

HERBICIDES

97

TRISUIT

Imazethapyr 10% SL

Crops : Soyabean
Groundnut

Dosage :
350 ml / acre

98

CLEAR

2,4-D Amine Salt 58% SL

Crops : Maize, Grapes,
Sugarcane, Wheat

Dosage :
500-800 ml / acre

99

PRETIL Plus

Pretilachlor 30.7% w/w EW

Crops : Direct
seeded Rice

Dosage :
600-800 ml / acre

100

VERA

Pretilachlor 37% w/w EW

Crops : Paddy

Dosage :
600 ml / acre

101

GLYCHEK

Glyphosate 41% SL

Crops : Tea
& Non Cropped areas

Dosage :
800 - 1200 ml / acre

102

TRICOT

Paraquat Dichloride 24% SL

Crops : Tea, Potato, Cotton,
Rubber, Rice, Wheat, Grapes

Dosage :
500 - 1000 ml / acre

103

TRICOMPENDI Plus

Pendimethalin 38.7% SC

Crops : Soyabean,
Cotton, Chilli,
Onion,

Dosage :
250-300 ml / acre

104

PRETIL

Pretilachlor 50% E.C.

Crops : Transplanted Rice

Dosage :
500 - 600 ml / acre

113

RADON

PENOXULAM 1.02% +
CYHALOFOPBUTYL 5.1% OD

Crops : All

Dosage :
400 gm to 500 gm/ acre

114

TRICOMPENDI

Pendimethalin 30% EC

Crops : Wheat, Soyabean,
Cotton, Paddy

Dosage :
1000ml to 1200ml/ acre

GROWTH PROMOTERS

115

THRILL

Ethephon 39% SL

Crops : Mango, Pinapple,
Coffee, Tomato, Rubber etc.,

Dosage :
250 - 500 ml / acre

116

AMINOSTAR GOLD

Natural Derivative From Cereal Protein

Crops : All Crops

Dosage :
250 - 300 ml / acre

117

TRIOVITA

Bio Granules

Crops : All Crops

Dosage :
8 kg / acre

118

TRIGIB

Gibberellic Acid 0.001% L

Crops : Paddy, Cotton,
Sugarcane, Groundnut,
Brinjal, Bhendi, Grapes etc.,

Dosage :
15 - 20 ml / acre

MICRONUTRIENTS

119

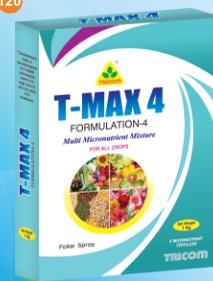

T-MAX 6

Formula-6

Crops : All

Dosage :
400 ml to 500ml/ acre

120

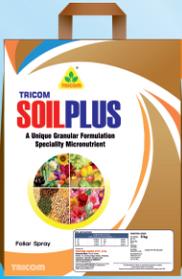

T-MAX 4

Formula-4

Crops : All

Dosage :
400 gm to 500 gm/ acre

121

TRICOM SOIL PLUS

Formula-7

Crops : All

Dosage :
10 kg/acre

122

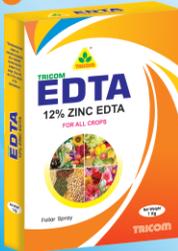

TRICOM ZINC 33%

Zinc 33% Monohydrate

Crops : All

Dosage :
10 kg/acre

123

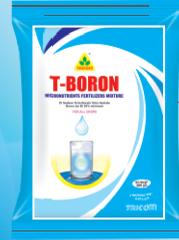

TRICOM EDTA

12% Zinc Edta

Crops : All

Dosage :
100 gm to 120 gm/acre

124

T-BORON

Boron 20%

Crops : All

Dosage :
250 gm to 300 gm /acre

125

TRICOM MAG

Magnesium Sulphate 9.6%

Crops : All

Dosage :
1000 gm/acre

126

GROWTH PLUS

Chelated Micronutrient Powder
(with calcium)

Crops : All

Dosage :
200 gm /acre

127

T-K.MAG

Potassium Schoenite + CTE

Crops : All

Dosage :
1 kg /acre

128

TRICOM CN

Soluble Calcium Nitrate

Crops : All

Dosage :
25 kg to 50 kg /acre

129

FLOWER CLICK

Plant Stimulant

Crops : All

Dosage :
100ml to 125ml /acre
